Sir,

Warm Clothing to establishment attached to the Government Buildings at Fern Hill, Ooty.

393/B

I have the honour to state that it has been reported by the Superintending Engineer, Mysore Circle, that it is very necessary to increase the allowance for warm clothing to the establishment attached to 'Awardy House' and 'Glen View' at Ooty. A copy of the statement furnished by the Superintending Engineer, showing the existing and proposed rates of allowances for warm clothing is enclosed herewith for kind perusal. The extra cost involved on account of the proposed increase is Rs 23/- per year. In view of the fact that the existing rate of allowance for warm clothing was fixed several years back and on account of the prevailing high rates due to War conditions, I recommend that sanction of Government may kindly be obtained and communicated to the payment of the enhanced rates of allowances for warm clothing to the establishment attached to the Government Buildings at Fern Hill, as per details furnished in the enclosed statement.

I have the honour to be
Sir,
Your most obedient servant,

CHIEF ENGINEER FOR IRRIGATION.
